Here's the Scoop...

Welcome to our class! We look forward to partnering with you to help your child grow into a capable and confident learner. In Our classroom we will be encouraging your child's love of learning through lots of play!

Please remember to check your child's folder each day. We will check for notes from you each day, also.

You will be receiving a daily email that will give a detailed list of the day's activities, any reminders or upcoming events.

There will be a snack calendar as well as a guest reader calendar beginning the month of October if you wish to participate. For snacks, please remember to follow the approved snack list.

You can contact us by either calling the above number or by email. Please try emailing either before or after class. We will not have much time to check the email during class time.

Thank you for entrusting us with your child. We look forward to a wonderful year of growing, learning and celebrating your child's achievements.
