Here's the Scoop...

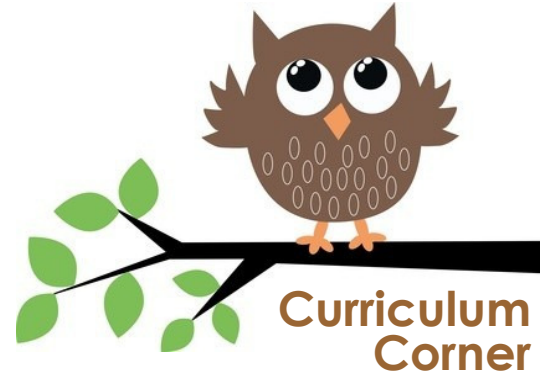

We are looking forward to Getting to Know your children this month. It is always so fun to start out a new school year!

We will start off right away with going outside so please make sure your child has appropriate clothing, jacket and shoes.

Send a water bottle every day!

Our field trip to Krolls Farm will be September 25th. Please look for further information on the trip and on becoming a chaperone.

Please send a family photo for their cubbies and check home/school folder daily!
