## Here's the Scoop...

We started 2019 with a bang! We started learning about rectangles and the colors black and white! We made cute rectangle robots and adorable rectangle penguins!

We met our new Alpha Friends Nyle Noodle, Ozzie Octopus, and Pipa Pig. It was fun making noodle necklaces and painting our owl with celery! The most fun was wearing our Pajamas to school on P day!

We worked hard this month on our concert songs and learning how to sing loudly without sounding like we are yelling.

Please remember to send boots, snow pants, mittens, and a hat with your child.

## Curriculum Corner

**Theme:** Happy Healthy Hearts
