Here's the Scoop...

April was an exciting month! We met our last 3 new Alpha Friends Mr. X-ray, Yetta Yoyo, and Zelda Zebra.

We had a great time celebrating Week of the Young Child with backwards day, sports fan day, and FriYay Dance party. We have some great dancers in our class!

We learned the difference between an oval and a circle and learned about our last number....10!

We learned about responsibility. We also learned about Earth Day and learned what we can do to help take care of the Earth.

Curriculum Corner
