## Here's the Scoop...

### Fun Visits

We will be having a yoga instructor teach us yoga on Thursday Feb. 21 and a dental visit on Tuesday Feb. 26. We have a dental hygienist coming in to talk to the children about dental health. We will learn the proper way to brush teeth and even what food is good for our teeth and what food is bad for our teeth. Please send your child to school in comfortable clothes for yoga.

### Valentine's Day Celebration Thursday February 14th

Feb. 14 we invite parents to join us for a Valentine's Day Ice Cream Social at 9:15. You will be able to assist your child in passing out their valentines followed by an ice cream social. **Please note we cannot accept or pass out Valentine's with any candy** and limit non-edible items to one per child. No goody bags can be passed out. We ask that children sign their name to valentines but not put classmates names on them. It is easier for children to just put one in each valentine bag instead of matching names to the correct bags. We have 12 students in our class.
